* Introduction

At Bullionz, we realize the importance of a simple deposit process, as it is the backbone of your entire journey with us. In order to obtain our gold-backed BTXG tokens, and ultimately use, exchange, vault, redeem, and yield it, you will need to inject funds into your account.

Hence, this guide will walk you through each step to provide a clear and concise manual for everything from funding your account and picking the deposit type that best meets your preferences.

* Website & Main Dashboard

Step 1: Enter the Bullionz platform with a registered Bullionz account, via the *Log In* button on the Bullionz website.¹

¹ If you have not already created an account with Bullionz, you may do so by clicking the **Register** button on the upper right corner of the main website (<u>www.bullionz.com</u>). Please refer to our Create An Account user guide for more information on this process.

User Guide

Step 2: On the main page of the Bullionz platform/dashboard, click the button, *Deposit Funds*.

Bullionz

User Guide

Step 7: Once you have filled out the aforementioned information from <u>Step 6</u> according to your preferences, click on the *Deposit* button to proceed on.

Step 8: In some cases, you may:

- Be automatically redirected;
- See and need to click a button entitled *Click To Proceed* to be redirected; or
- See and need to scan a **QR Code** with your mobile device's camera to be redirected

To the selected payment system's page to complete the transaction.

Step 9: On the payment system's page, complete any additional fields or information the payment system requires in order to process and execute the transaction.

Step 10: If your payment was successful, you will see the following message:

If your payment fails, you will see the following message, and will need to go back to the main Deposit Page and try again.

Deposit Failed
Deposit Page Dashboard Buy Gold

Step 11: Once you have completed <u>Steps 7</u> through <u>9</u>, and your transaction was successful, you will be redirected back to the Bullionz dashboard.

User Guide

* Checking Balance

Step 12: Once you have deposited funds into your account, throughout the dashboard's header, you will be able to see your available balance, next to the label, *Cash Balance*. This amount correlates to monetary traditional FIAT currency funds within the account available for buying and selling (Exchanging or trading) our BTXG tokens.
