❖ Introduction

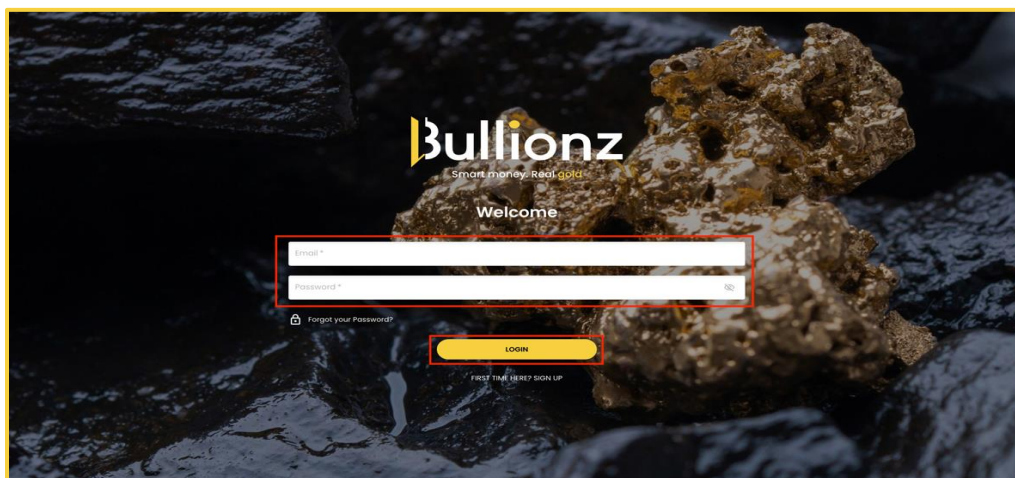

In a capitalistic world, sometimes, we need to extract funds for a variety of reasons. Sometimes we need the cash for personal reasons, or we just want to stop collaborating with a service provider. No matter the reason, it is imperative that every system provides users with the ability to withdraw funds.

This user guide will walk you through Bullionz’s dashboard monetary FIAT fund withdrawal process in order to provide you with the desired funds in a smooth and efficient manner.

❖ Website & Main Dashboard

Step 1: Enter the Bullionz platform with a registered Bullionz account, via the Log In button on the Bullionz website.¹

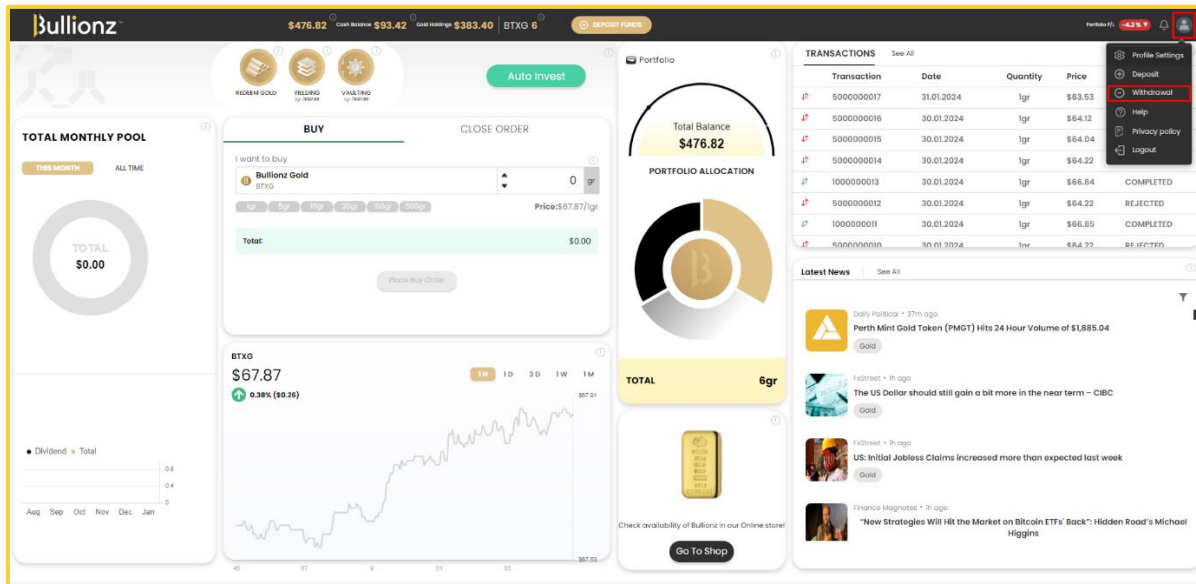

¹ If you have not already created an account with Bullionz, you may do so by clicking the **Register** button on the upper right corner of the main website (www.bullionz.com). Please refer to our **Create An Account** user guide for more information on this process.

User Guide

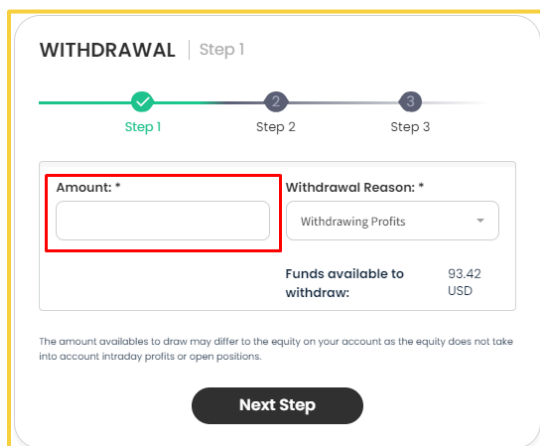

Step 2: On the main page of the Bullionz platform/dashboard, click the **Profile Icon**, on the top right corner of the dashboard and choose **Withdrawal** from the drop-down menu.

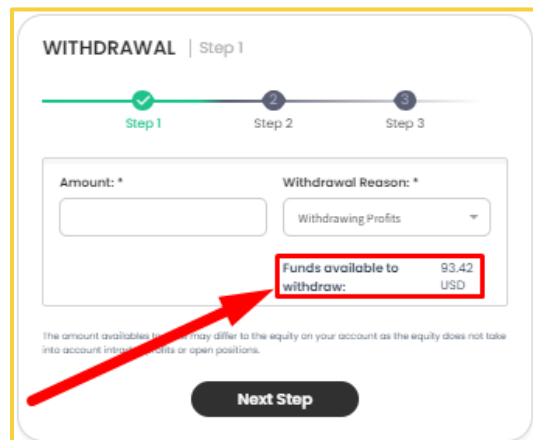

Step 3: A new page will open up to begin our withdrawal process.

❖ Withdrawal Process

Step 4: The new page that opens up will guide you through various steps to complete a withdrawal request.

Step 5: To begin, please input the **Amount** of funds you wish to withdraw in the box provided.²

² The amount of funds you are able to withdraw currently will be listed in the lower right corner of this step, as shown here.

❖ Transaction History

Step 16: Finally, to see your account's transaction history, click the **Profile Icon**, on the top right corner of the dashboard and choose **Profile Settings** from the drop-down menu.

Withdrawing

User Guide

The screenshot displays the Bullionz user interface. At the top, the user's account balance is shown as \$473.76, with a cash balance of \$43.42 and a total holding of \$443.87. The interface is divided into three main sections: Personal Details, Delivery Address, and Transaction History. The Transaction History table is highlighted with a red border.

Transactionid	Date	Currency	Amount
24434	01.02.2024 11:21:10	USD	\$50.00
24433	01.02.2024 10:31:04	USD	\$500.00
24429	31.01.2024 12:21:03	USD	\$100.00
24424	31.01.2024 09:54:37	USD	\$500.00
24390	29.01.2024 19:13:56	USD	\$100.00

❖ Conclusion

We are done. You have successfully withdrawn monetary funds from your Bullionz account.

Please note, however, that by doing so, you will then have fewer funds to use to purchase our BTXG tokens, needed in order to employ the full range of services our platform has to offer.

So, in order to truly enjoy all that Bullionz has to offer, ensure that your account has enough **Cash Balance** to purchase our tokens. So, top-up (deposit) your account when needed!

Bullionz's products and services are region specific. Our Wallet and Card facilities, along with our Transaction Yielding program, are currently available in the EU only.
